ABOUT US

MSM Logistics is a client-centered transportation and heavy equipment provider dedicated to serving our partners with excellence. We specialize in robust logistical solutions designed to meet the unique demands of modern industry, ensuring your assets and cargo move safely across borders and rugged terrain.

While the logistics landscape can be complex, we simplify the experience by focusing on reliability and specialized equipment. Our core services include:

- ✔ **Regional & International Container Transport:** Seamlessly moving containers from one region to another within Tanzania and across international borders.
- ✔ **Heavy Equipment Leasing:** Providing high-performance excavator trucks and machinery maintained to the highest standards.
- ✔ **Strategic Deployment:** Ensuring efficient transportation and equipment availability exactly where your project needs it.

At **MSM Logistics**, our services are tailor-made to suit your specific operational goals. Driven by diligence and passion, we keep our clients at the heart of our business, endeavoring to be responsive, proactive, and dependable partners in your supply chain.

VISION

To become the country's leading Freight forwarding and Logistics company that delivers services of world-renowned caliber.

MISSION

To leverage technology in creating and delivering simplified logistics solutions that meet clients needs.

CORE VALUES

Teamwork; Integrity; Professionalism; Innovation; Dynamism

OUR SERVICES

At **MSM Logistics**, we provide a versatile suite of services designed to function as a comprehensive, integrated package or as high impact individual components. Our goal is to offer a broad range of logistics solutions that cater to the diverse needs of our clients from small businesses to large scale enterprises.

No matter the scope of your requirements, **MSM Logistics** is committed to exceeding your expectations through these core offerings:

✔ **Inter-Regional & International Container Transport**

We provide reliable transportation of containers across all regions of Tanzania and beyond international borders. Our fleet and network are optimized for safety and efficiency, ensuring your cargo reaches its destination on time, every time.

✔ **Heavy Equipment & Excavator Leasing**

Supporting the construction, mining, and infrastructure sectors, we offer a high-performance fleet of excavator trucks and heavy machinery. Our equipment is meticulously maintained to ensure maximum uptime and productivity for your projects.

✔ **Specialized Logistics Deployment**

We bridge the gap between source and destination by managing the flow of equipment and goods with precision. Whether you need a single transport solution or a complex deployment strategy, we simplify the process so you can focus on your core business.

✔ **Tailor Made & Responsive Solutions**

Every client is unique. We pride ourselves on being proactive and diligent, creating custom logistics plans that align with your specific timelines and operational goals.

HAULAGE SOLUTIONS

MSM Logistics Ltd, we move more than just cargo; we move the pulse of your business. Our transportation division is built on a foundation of reliability, specializing in the secure movement of containers across vast distances and challenging terrains.

Whether your cargo is staying within the country or crossing borders, we provide a seamless link in your supply chain through the following specialized capabilities:

- ✔ **Cross-Border Excellence:** We manage complex logistics to ensure your containers move smoothly from Tanzania to neighboring countries, navigating international routes with precision.
- ✔ **Inter Regional Connectivity:** Our network links every major region within Tanzania, providing a dependable bridge between your source points and final destinations.
- ✔ **Heavy Duty Fleet Operations:** We utilize specialized equipment and a well-maintained fleet designed to handle the rigors of heavy container transport, ensuring the safety and integrity of your goods.
- ✔ **Real Time Visibility:** We prioritize transparency, keeping you informed of your shipment's progress as it moves from one region to the next.

- ✔ **Reliability:** We understand that timing is everything. Our operations are geared toward meeting strict deadlines and maintaining consistent delivery schedules.
- ✔ **Proactive Management:** Our team anticipates potential logistical hurdles before they arise, ensuring a smooth journey regardless of the destination.
- ✔ **Scalable Solutions:** From single container shipments to largescale project deployments, our transportation services scale to meet the specific volume of your enterprise.

We simplify the flow of goods across borders, allowing you to focus on your core operations while we handle the heavy lifting.

EQUIPMENT LEASING

At **MSM Logistics Limited**, we provide robust, client centered logistics solutions designed to power large scale infrastructure and construction projects. Beyond regional and international transportation, we specialize in the strategic leasing of high performance excavators and heavy machinery tailored for the demanding environments of the construction industry.

OUR LEASING SOLUTIONS

We understand that modern construction requires reliability, precision, and efficiency. Our fleet is maintained to the highest standards to ensure zero downtime on your project site.

- ✔ **Premium Fleet:** Access to a range of versatile hydraulic excavators suitable for earthmoving, trenching, and material handling.
- ✔ **Flexible Terms:** We offer tailor made leasing agreements ranging from short term project needs to longterm industrial contracts designed to align with your project timelines and budget.

- ✔ **Operational Readiness:** Every piece of equipment undergoes rigorous technical inspections, ensuring it arrives onsite certified and ready for immediate deployment.
- ✔ **Integrated Logistics:** Leveraging our core expertise in transportation, we manage the seamless delivery and mobilization of machinery to any project site, whether local or remote.

WHY PARTNER WITH US?
